

“This project is implemented through the CENTRAL EUROPE Programme co-financed by the ERDF.”

Agenda and information

Training course

Management of R & D project, Innovation and Technology Transfer

Training course: 19th October 2010 – 20th October 2010

Evaluation: 2nd of November 2010

Dear participants,

we would like to welcome you on a training course of the project FREE (From Research to Enterprise), which is implemented through the Central Europe Programme and is co-financed by the European Regional Development Fund.

The entire course will be led by prof. Ing. Jiri Vacek, Ph.D. from University of West Bohemia in Pilsen and by Ing. Andrea Žejdlová from Karlovy Vary Development Institut. Both training manager/lectors have rich experiences on the field of technology transfer, innovation and training courses.

All course materials, especially powerpoint presentations and guidebooks, you can find on website created specifically for this training course http://home.zcu.cz/~vacekj/FREE_2010/ and also on the website www.klimentovska.cz and <http://free.unideb.hu>

Power point presentations

- Fundamental terms, case studies
- Management of the projects
- Innovation and Entrepreneurship
- “Soft Skills” in R & D & I
- Technology transfer – evaluation and IP protection
- Support of R & D & I
- Drafting of the own project/course

Other teaching materials

- Training Guide
- Innovation systems guidebook
- Innovation services Guidebooks

“This project is implemented through the CENTRAL EUROPE Programme co-financed by the ERDF.”
